(*d*) Yes.

(*e*) The labourers engaged for the relief works have been paid through the piece worker through whom these works have been got executed by engaging scarcity labour as per the conditions of the piece work agreement.

Sri N. B. SIRDESAI.—Is it not a fact that the agriculturists had no work during the period when the scarcity works were sanctioned and up to the time they have been handed over to the P. W. D. and the P. W. D. has not taken up these works ?

† Sri H. V. KOUJALGI.—It is not correct. In addition to these works about 63 tank works are going on and they have been taken up by the P. W. D. There is no difficulty for the villagers to get work.

Sri N. B. SIRDESAI.—Is it not a fact that only eastern part is given preference and more number of works have been taken up than in the western part ?
